## Tutorial on how to use the mini book inserts and templates

These are lovely little books that you can fill with your inspiration be it written or art.

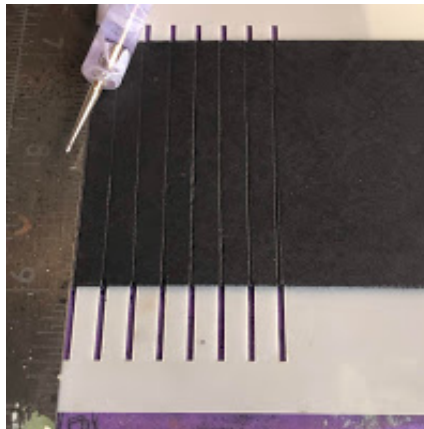

1. The set comes with a signature template cut out your signatures and put to one side.

2. Cut a strip of card to the same width as your signatures.

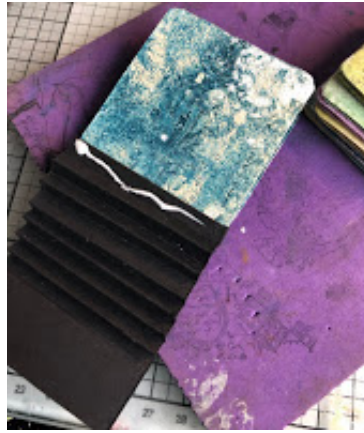

3. Place the card over the template and score with a pokey tool or cone folder.

4. Fold your card as shown in the picture below.

5. Glue in your signatures leaving the larger unfolded card at the back this will be glued on to the covers.

6. Continue to glue in the signatures until you have completed them.

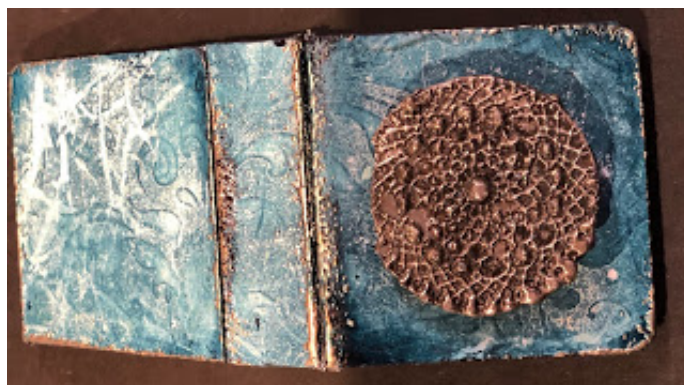

7. A view from behind.

8. The covers below are joined together with painters tape.

9. A picture of the covers decorated.

10. A picture of the inside cover

11. The completed book.
