Step 1

Layer up your chalky finish paints, introducing wax resist and rubbed back techniques.

Step 2

Add washes to further aged the look. Stamp the background as desired.

Step 3

Cut your photo/ stamp to size and emboss the frame. Secure the lace behind the frame and mount the frame centrally.

Step 4

Create your pages. Back plate measures 165mm x 75mm. At the half way point, 82.5mm, punch two holes 5mm from the top and bottom edges. Repeat this process 10mm either side of the mid-way point. Thread elastic through the holes.

Step 5

Create your signatures. These should measure 130mm x 65mm. Fold in half and slip through the elastic to secure.
